

Set up your personal account on Efma Web

www.efma.com/account

- Click on the link: www.efma.com/account
- Fill in your business email address and choose a password (names, figures, etc.)
- When completing the form, please provide as much information as possible in order to enable us to process your future requests as efficiently as possible
- Choose at least one element in the 'area of activities' section
- Finally, click on the 'Send' button
- An automatic message will be generated and sent immediately to the email address you provided

IMPORTANT

In order to validate the opening of your account, please click on the confirmation link received by email

You must enter your business email address (and not your personal email) in order to have full access to the website

Once your account will be validated, you will be able to change your personal information in the 'Update my Efma' section (password, email, address etc).

Please remember you need to be logged in to update your profile on www.efma.com/account
